CALIFORNIA SELECT BROWN RICE

DESCRIPTION

Brown Rice is a 100% whole grain food preferred by health conscious consumers. Each half-cup serving of cooked brown rice equals one whole grain serving. This healthy grain contains the nutrient-dense bran and inner germ layer where the majority of the bioactive compounds are found as well as the starchy endosperm. It's the fiber bran coating that gives brown rice its light tan color, nutlike flavor, and chewy texture.

COOKING INSTRUCTIONS

Japonica style rice is best when prepared using a rice cooker. However, on the stovetop, you may combine 1-3/4 cups water with 1 cup of rice. Bring to a boil over high heat. Once the water boils, lower heat to a simmer and cover. Cook at a simmer until water is completely absorbed and rice is tender. Remove from heat and fluff rice gently with a fork and serve.
