

KaHō Organic Calrose Rice

DESCRIPTION

KaHō Organic Calrose is a natural and organic option to ACC's California Select Calrose. Calrose is the most popular of the California medium grain rice varieties, and it makes up about 85 percent of the state's annual rice crop. The grains are soft and stick together when cooked. This versatile grain makes an excellent table rice, and is also perfect for Mediterranean and Asian cuisine such as paella, pilaf, and rice bowls. It offers a heartier texture than short grain rice.

COOKING INSTRUCTIONS

Japonica style rice is best when prepared using a rice cooker. However, on the stovetop you may combine 1-3/4 cups water with 1 cup of rice. Bring to a boil over high heat. Once water boils, lower heat to a simmer and cover. Cook at a simmer until water is completely absorbed and rice is tender. Remove from heat and fluff rice gently with a fork and serve.
